

AT BERRY'S.

will apply to Judge Aldrich for a writ of certiorari, to be served on the board, to exhibit to the court the records on which Douthit was discharged. The latter claims he does not want to be reinstated, but seeks vindication. Attorney-General Bollinger represents the board.

A bitter and scandal-developing controversy is being waged by representatives of the two sides.

The State board purchases all whisky used legitimately in the State. It is bottled and shipped under the direction of the Commissioner, who also bottles illicit whisky, seized by the constabulary. It is charged that Douthit mismanaged the sale of contraband liquor; that he bottled inferior liquor with labels of superior grade, and that he endeavored to advance the sales of liquor bought from certain whiskey-houses. He was discharged without a hearing.

The majority faction is charged, on the other hand, with filling offices with known men, and with purchasing from relatives who pretend to represent liquor-houses, but are in reality "strikers" for spoils. Abuse and outrageous language is being used in the charges and countercharges. Personal encounters have been expected.

FILIPINOS PUT TO FLIGHT.

Four Americans Lured from a Gunboat—One Killed—One Captured.

MANILA, October 23.—2 P. M.—The insurgents around Calamba and Angeles have bothered the Americans lately with their repeated attacks, which like most of the Filipino attacks, consist of shooting a lot of ammunition into their opponents' camp from a long range. Major Cheatham's battalion of the Seventeenth Regiment, three companies of the Twenty-first Regiment, a battery of the Fifth Artillery, and a Gatling gun saluted the morning from Calamba, drove the Filipinos from their trenches, and pursued them for three miles, inflicting heavy loss on them. One American was killed and three were wounded in the Twenty-first.

Lieutenant Fergus, with twenty scouts of the Thirty-sixth Regiment, reconnoitering near Laibao, encountered a party of mounted Filipinos. He killed six of them and captured eight, with ten rifles. SPECIAL DEPOSITS received from 25 cents upward pays 4 per cent.
